Medgen EHR

To Drummond Group:

For public release and exact language used for our website and marketing distributions:
Additional Costs or Fees that are not included in the initial purchase of the software are related to the Medgen Data Export module and access to the Medgen API which are optional and may be related to meaningful use or certification criteria. Additional Costs or Fees that are not included in the initial purchase of the software are related to MACRA consultation services, patient reminder calls and E Faxing costs which are entirely optional and not related to any meaningful use or certification criteria. These costs are recurring basis, billed monthly to the client and are variable based on usage. Contractual Obligations are required for the purchase of the services. All contracts are for a term of 12 calendar months.

Technical or Practical Limitations are not present with Medgen EHR. Additional requirement is to engage "Updox" a third party service for direct messaging. There are no additional contractual limitations.
We agree to notify Drummond Group of any and all future changes to our transparency and disclosures language for this certified product-version.

We understand and agree that the ONC Health IT Certification Program Final Rule statement gives Drummond Group, as an ONC-ACB, the sole responsibility for ensuring compliance and determining appropriate consequences if EHR technology developers fail to divulge accurate transparency and disclosures information.

We understand and agree that we will provide to Drummond Group copies of or give access to any and all websites, marketing materials, communication statements, and other assertions made by your organization regarding the ONC certification status of this product in a reasonable time to ensure the transparency and disclosures information is being accurately disclosed.
